

LI-WEI KUO

EDUCATION

2009 - 2011,	Ph.D., Geosciences,
2004 - 2007	National Taiwan University, Taiwan
2001 - 2004	M.S., Geosciences, National Taiwan University, Taiwan
1997 - 2001	B.S., Geology, National Taiwan University, Taiwan

APPOINTMENTS

2018 - present	Associate Professor, National Central University, Taiwan
2015 - 2018	Assistant Professor, National Central University, Taiwan
2015	Post-doctoral fellow, National Taiwan University, Taiwan
2014 - 2015	Visiting researcher, University of Padova, Italy
2011 - 2014	Post-doctoral fellow, National Taiwan University, Taiwan
2009	On-site geologist, Wenchuan Earthquake Fault Scientific Drilling Project, China

PROFESSIONAL ACTIVITIES

Invited Speaker	2019	American Geophysical Union Fall Meeting, United States
	2019	NSRRC 25th User's Meeting & Workshops, Taiwan
	2018	Drilling Investigation of Seismogenic Crust in Oklahoma (DISCO), USA
Journal Reviews		Nature Geoscience, Geology, Scientific reports, EPSL, GSA bulletin, GRL, JGR-Solid, G-cubed, Tectonics, Tectonophysics, JSG, JAES, Minerals and EPS

INFO

Address

No. 300, Zhongda Rd.,
Zhongli District, Taoyuan
City 32001, Taiwan ROC,
Department of Earth
Sciences, National Central
University

Phone

886-3-4227151#65628

EQUIPMENT SKILL

Analytical instrument

Synchrotron X-ray diffraction

Synchrotron Laue diffraction

Synchrotron Transmission X-ray

Microscopy

X-ray powder Diffraction (XRD)

X-ray Fluorescence (XRF)

Thermogravimetric Analyzer (TGA)

Scanning Electron Microscope (SEM)

Transmission Electron Microscope

Micro-Raman

Simulated fault instrument

Slow to High Velocity Apparatus
(SHIVA)

Rotary-shear high-velocity frictional
testing apparatus (LHVR)

RESEARCH PROJECTS

2019 - 2021	Ministry of Science and Technology Project - Revealing the contrast in deformation styles between fault core and damage zone throughout the seismic cycle, Taiwan
2017 - present	Bulk rheology of fault damage zone materials and its implication for interseismic fault mechanics at Chelungpu fault in Taiwan: with Hiroki Sone at University of Wisconsin- Madison, USA
2016 - 2019	Ministry of Science and Technology Project - Deciphering the seismically active faults from natural and experimental fault rocks, Taiwan
2016	Ministry of Science and Technology Project - Initiation and kinematics of deep-seated rockslides-friction law on sliding plane, Taiwan
2015	Ministry of Science and Technology Project - Inferring deformation mechanics of active faults using an integrated field and laboratory approach, Taiwan
2011 - present	Wenchuan Earthquake Fault Scientific Drilling (WFSD) project with Chinese Academy of Geological Sciences, China

HONORS AND AWARDS

2019	The academia Sinica Research Award for Junior Research Investigators-Division of Mathematics and Physical Sciences
2019	Outstanding research award in National Central University, Taiwan
2018, 2019	Good Teaching Faculties of the College of Earth Sciences by National Central University in Taiwan
2018	Outstanding reviewer award in the journal "Earth and Planetary Science Letters"
2015, 2016, 2017	Newly-Employed Teacher Academic Research Grants by National Central University in Taiwan
2014	Ma Ting-Ying Youth Thesis Award by Geological Society of Taiwan
